SYLLABUS & ENTRY FEES 2025

NOVICE SECTIONS

Novice sections are for competitors who are beginners (only danced for 3 years or less) and/or who have never placed in an open section. We welcome all abilities and backgrounds.

You may only enter that particular solo in either a novice class or an open class, not both. eg: if you enter a modern solo in the novice class, and entry in the open modern class is not allowed.

Once a competitor has placed 1st in the Novice section, they will no longer be able to enter that genre in the novice class. and must enter the open class for future festivals.
